supplied panels for the backlit stage  
for the opening ceremony  
of UEFA Champions League Final

UEFA  
CHAMPIONS  
LEAGUE

FINAL  
CARDIFF 2017

## Starlight Floor™

Starlight Floor™ is designed for raised-floors. Easy and fast to lay Starlight Floor™ is offered in module of big dimensions and outstanding lightweight. Thanks to its translucency Starlight Floor™ panel can be back-lit even with coloured systems increasing the variety of possible indoor applications.

Champions league  
Cardiff, Inghilterra

**Starlight Floor** = nido d'ape e pelli esterne in policarbonato  
Carico distribuito di esercizio 350 Kg/m<sup>2</sup>, spessore 40mm, peso 12 Kg/m<sup>2</sup>  
elevata strutturalità e leggerezza del pannello
